Thank you for considering The CARE Center for your car donation!

for working families.

In order to begin the process of receiving your donation, please print  
this form and complete the following questionnaire:

Through our pre-qualification process, our review committee will place

allowing them to stay employed, seek higher education, or further their  
personal self-sufficiency. We are so grateful for this gift.

Again, thank you for allowing The CARE Center to use your donation  
to glorify God and impact one of our neighbors/families in SE Madison

In His service with you,
